BACK YOUR NEIGHBOUR

Sign the petition to the
Minister for Immigration.

We are a coalition of Local Governments and community groups, speaking up for thousands of people seeking asylum in our communities.

We call on the Federal Government to:

1

Provide everyone with a valid visa with work, travel and study rights.

2

Expand the Status Resolution Support Services Program so that people can access basic healthcare, employment and crisis support.

3

Ensure a timely and fair application and merits review process for all humanitarian applications.

4

Provide people who have received a negative refugee determination under the 'Fast Track' system with a fair review.

5

Continue to invest resources to clear the backlog of applications and appeals.

6

Abolish temporary visas and replace them with pathways to citizenship for all humanitarian arrivals.
